## Jodi & Steve

APRIL 28, 2012  
SPICEWOOD, TEXAS

### THOUGHTS FROM THE VENUE:

This was a truly personal and intimate affair, even though there were 250 guests. Jodi added personal touches with custom banners, signage, custom décor pieces, rustic chandeliers, opulent peacock touches and a jeweled bouquet. The couple loves the water (both manage their own marina), so they chose the Cypress Club as the perfect destination for this celebration with its waterfront views. Some of their guests even arrived via boat and docked at the Reserve Marina while others guests stayed the night at one of the overnight accommodations
